

Evolving. Changing. Advancing.

All of these words describe the energy at Maple Press. We are transforming our company to serve your changing needs. While you can depend on us to maintain a high level of commitment to delivering quality products and services, we have been honing our offerings to meet the evolving needs of the publishing community in the years ahead.

MAPLE PRESS

What's new?

Complete digital component production

- ▶ In-house printing and lamination services for bookjackets, papercovers, preprints and inserts
- ▶ Production on our Xerox iGen4 Diamond Edition digital press

Online ordering system simplifies ultra-short digital print production

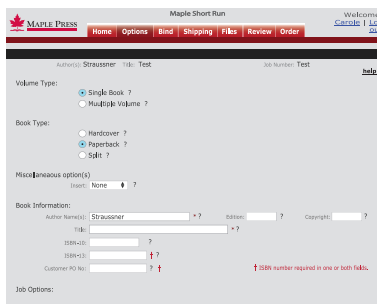

- ▶ Sourced through our electronic archives or from new uploaded files
- ▶ Quality manufacturing of small quantities with flexible material options
- ▶ Enables easy, cost-effective inventory control

Print-on-demand production for complete life cycle processing

- ▶ Web interface tools automate inventory management
- ▶ POD for single copies or replenishment to specified levels
- ▶ Provided through our Maple Logistics Solutions division for our distribution customers

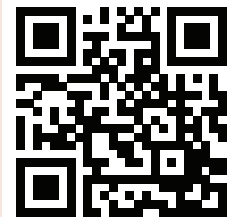

What's tried and true?

- ▶ High quality offset printing and binding for orders of 250 to 200,000
- ▶ Fulfillment and inventory management services through Maple Logistics Solutions
- ▶ Comprehensive material programs with environmentally friendly options
- ▶ Our real-time web gateway, the InfoNet, so you can access your data anytime
- ▶ Personalized and knowledgeable customer service
- ▶ THINKTech® printing, our award-winning innovation, making books with the smallest carbon footprint
